DISABILITY BENEFIT

Disability Benefit is Payable

When the Benefits Service Center receives proof that you are disabled due to Injury or Illness and require the Regular Attendance of a Physician, Mohawk will pay you benefits after the end of the Elimination Period, subject to any other provisions of this plan. The benefit will be paid for the period of Disability if you give to the Benefits Service Center proof of continued:

1. Disability;
2. Regular Attendance of a Physician; and
3. Appropriate Available Treatment.

A period of disability starts on the first day you are disabled as a direct result of a significant change in your physical or mental condition occurring while you are insured under this Plan. You must be under the regular care of a physician. (You will not be deemed to be under the regular care of a physician more than 31 days before the date he or she has seen and treated you in person for the illness or injury that caused the disability).

Certification paperwork is required for claims determinations and at the employee's expense.

You are not eligible for accrual of PTO while you are receiving Short -Term Disability Benefits. Employees on leave of absence are not entitled to Holiday, Bereavement and/or Jury Duty pay.

Benefit Period Less than a Week

For any period for which a Short Term Disability benefit is payable that does not extend through a full week, the benefit will be paid on a prorated basis.

Discontinuation of Short-Term Disability Benefit

Benefits will cease on the earliest of:

1. the date you fail to provide Proof of continued Disability or Partial Disability and Regular Attendance of a Physician;
2. the date you fail to cooperate in the administration of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due;
3. the date you refuse to be examined or evaluated at reasonable intervals;
4. the date you refuse to receive Appropriate Available Treatment;
5. the date you refuse a job with Mohawk where workplace modifications or accommodations were made to allow you to perform the Essential Duties of the job;
6. the date you are able to work in your Own Occupation on a part-time basis, but choose not to;
7. the date your current Partial Disability earnings exceed 80% of your Basic Weekly Earnings;
8. the date you are no longer Disabled according to this plan;
9. the end of the Maximum Benefit Period;
10. the date employment is terminated; or
11. the date you become deceased.

Additional, Unrelated Injuries or Illnesses While Receiving the STD Benefit

If you have not returned to work after your initial injury or illness, any subsequent injuries or illnesses that take place while you are already receiving the STD benefits will be considered part of one disability period with a maximum of 90 days dating from the time of the initial injury or illness.

Disabled Again Due to an Illness Unrelated to the Previous Cause of your Disability

To qualify for the STD benefit on a second, unrelated illness, employees must work one regularly scheduled work week. The elimination period will start over on the second, unrelated illness.

Disabled Again Due to an Illness or Injury related to the Previous Cause of your Disability

With respect to this plan, "Successive Periods of Disability" means a Disability which is related or due to the same cause(s) as a prior Disability for which benefits were payable. A Successive Period of Disability will be treated as part of the prior Disability if, after receiving Disability benefits under this plan, you:

1. return to your Own Occupation on an Active Employment basis for less than two continuous weeks; and
2. perform all the Essential duties of your Own Occupation.

Benefit payments will be subject to the terms of this plan for the prior Disability.

If you return to your Own Occupation on an Active Employment basis for two continuous weeks or more, the Successive Period of Disability will be treated as a new period of Disability and you must complete another Elimination Period. The combined maximum period for which a benefit is payable for the same Disability will never extend beyond 90 days within a rolling 12-month period.
